Dunkin Donuts  
196 Main St

Angelo's Pizzeria  
237 Main St

Friendly's  
611 Main St

Amore Pizza  
414 Main St

The Stoneham Police Department and 7 local businesses are excited to participate in Stoneham's first Summer Bicycle Safety Program! Our goal is to increase awareness of and compliance with helmet laws to reduce the potential of serious head injuries that occur as a result of bicycle accidents. This fun initiative allows officers to positively reward the children of the community. Children who are observed riding bicycles, skateboards, rollerblades, roller skates, scooters, etc., will be given a voucher for a free item from a local participating business.

It's important to note that vouchers will only be given out by Stoneham Police Officers in uniform on marked patrol bicycles or cars.

\*\*The program is applicable to children under the age of 17 who are properly wearing their helmets. Quantities are limited and can only be redeemed at the location noted on the voucher. No cash value. Businesses reserve the right to withdraw from the program at any time.
