DISCUSSION

Park Terrace Condominiums

Tom Pascuccio, Meninno Construction

Plan changes

Troy Spaulding Meninno Construction has swale built and will start putting in granite for 25 foot no disturb zone, so would be closer to 30 feet off wetlands. Ellen McBride mentions the records will reflect changes. 8 foot bounds, 4 feet in 4 feet out will be acceptable. Alex Rozycki makes motion to accept changes, Norman L'Esperance seconds. Roll call Ellen McBride, Rob Fotino, Alex Rozycki, Megan Day and Norman L'Esperance 5/0

DPW Conservation survey

Meeting Monday October 5, 2021 shows proposed plan to restore wetlands behind high school track. Conceptual plan shown on screen. Meeting house brook site walk in June. Large relatively healthy wetland. Natural paths cleaned up. Working with DCR to tie into other paths. Stoneham Concept Plan on file. Stoneham can apply for grants. Brett Gonsalves has seen plans, looking forward to getting this off the ground. Alex Rozycki found this opportunity for the Town. October 22nd noon meeting tentatively scheduled. Raymie Parker would like to extend information to School Building committee, Select Board may be able to help with DCR. Stoneham has done a lot of studies, timing of this in coordination with high school project will be great according to Raymie Parker. MVP wants to fund climate resistance, this might or might not be the right application for it. American Rescue Plan has funds potentially, according to Ms. Parker. Ellen McBride mentions stream maintenance and DPW involvement. Raymie Parker asks that Select Board be included. Alex Rozycki says he is happy to talk to Select Board.
