6.12 INCLUSIONARY HOUSING: (5-3-21, Art. 8)

6.12.1 Purpose and Intent

The purpose of this bylaw is to outline and implement a coherent set of policies and objectives for the development of affordable housing in compliance with G.L. c. 40B §20-23 and ongoing programs within the Town of Stoneham to promote a reasonable percentage of housing that is affordable to moderate income buyers (“affordable housing units”). It is intended that the affordable housing units that result from this Bylaw meet the programmatic requirements for the same as specified by the Department of Housing and Community Development (DHCD) and, that said units count toward and are placed on, the Town’s Subsidized Housing Inventory as maintained by DHCD.

6.12.2 Definitions

1. Affordable housing unit. A dwelling unit available at a cost generally of no more than 30% of gross household income of households at or below 80% of the Middlesex County median income as reported by the U.S. Department of Housing and Urban Development, such that the dwelling unit is included in the Town of Stoneham’s Subsidized Housing Inventory.
2. Qualified affordable housing unit purchaser or tenant. An individual or family with household incomes that do not exceed 80% of the median income, with adjustments for household size, as reported by the United States Department of Housing and Urban Development (HUD) and DHCD or as otherwise established by DHCD such that the housing unit is included in the Town of Stoneham’s Subsidized Housing Inventory.

6.12.3 Applicability

1. Division of Land. This Bylaw shall apply to the division of land into eight (8) or more lots ~~and shall require a special permit from the Planning Board under Section 7.4 et seq. of the Zoning Bylaw. A special permit shall be required for land divisions under G.L. c.40A §9. (5-5-22, Art.8)~~

2. Multiple Units. This Bylaw shall apply to the construction of eight (8) or more dwelling units, whether on one or more contiguous parcels, ~~and shall require a special permit from the Planning Board pursuant to Section 7.4 except a Special Permit from the Planning Board shall not be required in the Fallon Road Mixed Use District for the construction of eight (8) or more dwelling units. (5-5-22, Art.8)~~

6.12.4 ~~Mandatory Provision of Affordable Units~~ Methods of providing affordable units

1. ~~The Planning Board shall, as a condition of approval of any development referred to in Sections 6.12.3 (1) and 6.12.3 (2), require that the applicant for special permit approval comply with the obligation to provide affordable housing pursuant to this Bylaw and more fully described in Section 6.12.5: Construction of affordable units on the locus of the development shall be permitted as of right in any development and is the preferred method of providing affordable units under this article and more fully described in Section 6.12.5~~
2. The Planning Board may grant a special permit for one or more of the following alternative methods, including any combination thereof. In granting a special permit hereunder, the Planning Board may impose any conditions it deems necessary to assure compliance with this article:
 - a. Payment of a fee in lieu of affordable units to the Town of Stoneham Affordable Housing Trust Fund. This provision shall apply only to developments of homeownership units. The fee per affordable unit shall be determined by the Section 6.12.11.
 - b. Donation of developable land in the Town of Stoneham to the Stoneham Housing Authority, Stoneham Affordable Housing Trust, or a comparable entity determined at the discretion of the Planning Board, provided the receiving organization agrees in writing to accept the land and the application demonstrates to the Planning Board's satisfaction that said land is developable for an equivalent number of affordable units in conformance with this chapter. Donated land does not need to be located in the same zoning district as the development and shall be subject to a deed restriction limiting its use to mixed-income or affordable housing.

6.12.5 ~~Provision of~~ Requirements for Affordable Units

1. The Planning Board shall deny any application for a special permit for development under Sections 7.0 of the Zoning Bylaw if the applicant for special permit approval does not comply, at a minimum, with the following requirements for affordable units:
 - (a) At least twelve (12) percent of the housing units in a division of land or multiple unit development subject to this Bylaw for developments

up to thirty (30) dwelling units, and at least fifteen (15) percent of the housing units in a division of land or multiple unit development subject to this Bylaw for developments greater than thirty (30) dwelling units, shall be established as affordable housing units either through new construction or rehabilitation of an existing structure(s) on the locus subject to the special permit.

(b) If the percentages applied to the required number of affordable units results in a fraction, the required number of affordable units shall be rounded up to the next whole number. Example: A twenty dwelling unit development requires 2.4 affordable housing units (20 multiplied by 12%). Rounding up to the next whole number is 3. Three (3) affordable dwelling units are required.

~~(e) The applicant may offer, and the Planning Board may accept, up to a fifty (50) percent reduction in the total number of affordable dwelling units required to be constructed on the locus subject to this Bylaw where the required number of affordable housing units is greater than ten (10), if and only if, the applicant pays, upon receipt of the special permit issued pursuant to this Bylaw and the expiration of all appeal periods governing the same, fees in lieu of each affordable housing unit not constructed in the amount of \$200,000 per dwelling unit. The fees shall be paid to the Town of Stoneham for the dedicated use by the Town for affordable housing purposes. Example: An eighty (80) dwelling unit development requires twelve (12) affordable housing units (80 multiplied by 15%). The applicant may offer and the Planning Board may accept a reduction of six (6) affordable housing units provided the applicant pays, upon receipt of a special permit and the lapse of relevant appeal periods, \$1,200,000 to the Town for affordable housing purposes.~~

(c) The Planning Board may, as part of any Special Permit decision, modify the number of affordable units as required by Section 6.12.5. (1)(a) upon a finding that due to unique conditions effecting the property, project location, or other beneficial site designs, that the affordable unit requirements of this section would unreasonably restrict the use of the property or would be detrimental to the orderly development of the area or would create a better project. In granting such modifications, the Board may impose conditions it deems necessary to protect the purpose of this section. ~~In no case shall the percentage of affordable units be reduced to less than twelve (12) percent.~~

6.12.6 Provisions Applicable to Affordable Housing Units On- and Off-Site

1. Siting of affordable units. All affordable units constructed or rehabilitated under this Bylaw shall be situated within the development so as not to be in less desirable locations than market-rate units in the development and shall, on average, be no less accessible to public amenities, such as open space, as the market-rate units.
2. Minimum design and construction standards for affordable units. The exterior of the affordable housing units within market rate developments shall be integrated with the rest of the development and shall be compatible in design, appearance, construction and quality of materials with other units.
3. Timing of construction or provision of affordable units or lots. Where feasible, affordable housing units shall be provided coincident to the development of market-rate units, but in no event shall the development of affordable units be delayed beyond the schedule noted below:

Up to 30%	None required

Additionally, no more than 50% of the certificates of occupancy shall be issued until the applicant pays at least 50% of the total required fee to the Stoneham Affordable Housing Trust. Ten percent of the total number of certificates of occupancy shall be withheld until the applicant submits evidence that is acceptable to the Planning Director that the remaining balance has been paid to the Stoneham Affordable Housing Trust Fund. The Planning Board may modify the schedule for fee payment for projects covered by a single occupancy permit.
5. For a development that provides affordable units through a land donation, no building permits shall be issued until the applicant submits evidence acceptable to the Planning Director that the land has been conveyed to the receiving organization identified in the Planning Board's special permit and

an affordable housing deed restriction has been recorded at the Middlesex County Registry of Deeds.

6.12.7 Local Preference

The purpose of these limitations is to preserve the long-term affordability of the unit and to ensure its continued availability for affordable income households. The resale controls shall be established through the execution of an affordable housing restriction pursuant to G.L. c.184, ss.31-32 and shall be in force in perpetuity or for the longest period permitted by law.

(a) Resale price. The resale price of any affordable housing units created pursuant to this Bylaw shall be determined based upon then current formulas set by the Department of Housing and Community Development such that the resold unit will remain on the Town's Subsidized Housing Inventory.

(b) ~~The Planning Board shall require, as a condition for special permit under this Bylaw, that the~~ The applicant shall comply with the affordable housing unit requirements and accompanying restrictions on affordability, including the execution and recording of an affordable housing restriction pursuant to G.L. c.184, ss31-32. affordable unit until an affordable housing restriction for each relevant dwelling unit has been recorded at the Middlesex County Registry of Deeds.

- (c) For developments subject to this Bylaw where the affordable housing units are made available for rental purposes, the Building Commissioner shall not issue an occupancy permit for any affordable unit until an affordable housing restriction pursuant to G.L. c.184, ss.31-32 has been recorded against the affordable unit at the Middlesex County Registry of Deeds. (5-3-21, Art.8)

The Town of Stoneham Assessors' Office will verify the numbers provided by the applicant prior to any special permit approval.
