### Closing Remarks

*A view of the new school's entrance.*

Stoneham's new high school will officially open to students in Fall of 2024. The building, which will be zero net energy constructed, will include a gymnasium with an indoor elevated running track, a state-of-the-art auditorium and cafeteria, along with educationally-appropriate classrooms to provide 21st century learning opportunities for all students.

*"Anticipating the challenges and opportunities of a 21st century world."*
